

*Thank you for choosing the Arizona Department of Commerce International Trade Internet Resource Guide. Within these pages you will find a handy compilation of Web sites relating to international business information. If you need information on trade leads, trade shows, exchange rates, country-specific market research, export financing or logistics, this is a good place to begin. The intent for the Internet Guide was for it to be a comprehensive reference tool and the effort was made to make it a resource that was useful rather than exhaustive. Enjoy!*

**The mission of the Arizona Department of Commerce International Trade & Investment Division**

is to expand Arizona's economy through increased international trade in goods and services, and related activities. In order to fulfill our Mission we have established goals that, if achieved, will reflect our progress in expanding Arizona's economy:

LINK Arizona companies with international market opportunities.

ATTRACT international investment to Arizona.

ASSIST Arizona firms in pursuing international business.

COORDINATE AND IMPLEMENT international aspects of the State's economic development plan.

STRENGTHEN the public/private partnership.
