We are pleased to present an informative luncheon on advantages working with Hong Kong Trade Development Council as gateway into China. The Hong Kong Trade Development Council is a one stop location for information about Hong Kong and China, they have information on business news, economic trends, customs statistics, laws, city and industry profiles, business guide, relocation guide, trade events, projects and tender notices, visa requirements, and more. Learn more about this organization and how they can help.  
Space is limited!
