WHAT IS REVAZ?

RevAZ is Arizona’s new Manufacturing Extension Partnership (MEP) center, providing customized solutions and support to help Arizona’s small- and medium-sized manufacturers grow and prosper.

Our team of experts constantly gathers, consolidates and provides an up-to-date compendium of manufacturing innovations, information and trends valuable to our manufacturing community. Calling on a comprehensive, statewide network of private and public resources, RevAZ finds customized solutions that help manufacturers become more successful.

REVAZ HELPS MATCH THE NEEDS OF MANUFACTURING COMPANIES BY:

- **Attracting & Retaining** a strong workforce
- **Leveraging** technology to stimulate business growth
- **Continuously** improving performance as a foundation
- **Growing** in-state supply chain and subcontracting
- **Implementing** exporting as a strategic growth path
- **Evolving** business strategy to expand products and markets
- **Planning** facility and business expansions
- **Conducting** comprehensive client assessments

A program of the

ARIZONA COMMERCE AUTHORITY
DID YOU KNOW?
You could be one of eight manufacturers selected to receive an international growth plan customized specifically for your business. ExporTech is the “how-to” program that utilizes a team of export experts to help small- and medium-sized companies enter or expand into global markets. ExporTech can help your company move quickly beyond planning, into actual, profitable export sales.

If you’re a manufacturer interested in learning more about ExporTech, contact RevAZ.
