2. ACA cannot allocate tax credits from future years' calendar cap until the first business day of that calendar year.
3. Tax credits are reserved on a first-come, first-served basis according to the Priority Placement Number established by the date and time stamp on the taxpayer's Pre-Approval Application.
4. The date and time stamp on a Pre-Approval Application dictate the cap year from which the allocation is made.
5. Any remaining unused balances accruing in 2012 and thereafter lapse and cannot be reallocated in the following year, pursuant to A.R.S. §41-1512(J).
6. Submitting an application does not guarantee the receipt of tax credits, nor does it obligate the ACA to issue approval.
