

Management Basics

The Top 10 Skills to Lead a Strong Team

WEBINAR: Wednesday, September 30th

Are you worried your *MANAGERS* don't know how to *MANAGE*? That the management team isn't going in the right direction for your company?

Attend this webinar if you are:

- Frustrated they aren't effective at transferring their skills to the people they are training.
- You know you should help the Management Team, but don't know what help looks like.
- Are worried you will invest time and money on people who aren't really qualified to be Managers - and you will end up doing it all yourself

During this webinar you will learn:

- Top 10 Basic Management skills most 1st time managers never learn.
- How to focus Management skill growth to improve Team productivity and reduce conflict.
- Understand your people and how to hold them accountable.
- Different roles you need to master as a Manager of Others.
