

Preparing For Market Recovery

LIVE WEBINAR: Thursday, December 3rd

Are you ready for market recovery? What to anticipate, when will it happen, and how to prepare for market recovery?

Join us for this informational webinar with a supply chain veteran and practitioner. The webinar focuses on:

- Understanding key leading indicators for market recovery for your business
- Establishing a closed loop process that prepares the organization for recovery
- Creating proactive action plan to maximize revenue

This is the third of a five-part series on Supply Chain Management going on throughout the month of October. Be sure to register for the entire series!

Oct 22nd: Building a Supply Chain Cost Reduction Pipeline

Oct 29th: Getting People Back to Work Safely
