

## Reshoring: Is It Right For Your Company?

**LIVE WEBINAR:** Thursday, December 17th

Is Reshoring on your mind? Do you know if it is right for your company and how to plan and implement it?

Join us for this series final informational webinar with a supply chain veteran and practitioner and reshoring guru. This webinar focuses on:

- Understanding the need for reshoring
- Creating a plan for reshoring
- Ensuring success of reshoring

We will discuss current trends, best practices and critical success factors for designing and deploying a supply chain footprint optimization plan.
