

QuickBooks for Manufacturers

Tips & Tricks to Streamline Operations

LIVE WEBINAR: Thursday May 6TH

Whether you are an experienced QuickBooks user or new to using the program, this workshop will give you the opportunity to learn some new ideas and tips and tricks of the trade. Join us and learn about some features you can implement to help streamline operations, saving time, money and resources.

Find out about:

- Inventory costing systems
- Using the Sales Orders feature
- Advanced Inventory Tracking
- Inventory Assemblies/Bill of Materials
- Class feature for Departments, Regions, Divisions
- Allocation of materials
- Inventory reorder points
- Work in progress tracking
