## WHAT TO EXPECT IF OSHA KNOCKS ON YOUR DOOR

### Wednesday July 14th

Are you ready if OSHA shows up at your company? Many companies fear the day when OSHA shows up at their location. Not necessarily because they have something to hide, but perhaps the lack of understanding of what the employer should do during the OSHA Inspection - what OSHA will ask for and what to expect during the visit.

This course will provide you the knowledge of what to expect and how to be prepared if OSHA does show up at your company.
