# A Long Legacy of International Collaboration

In Arizona, the exchange of goods and ideas is not bound by geographic borders. The state's close proximity to Mexico presents a platform for international collaboration and Arizona's competitiveness. In fact, Mexico is Arizona's top trading partner with **exports totaling \$8 billion and imports totaling \$11.8 billion in 2023**. Arizona and its neighbor to the south, the state of Sonora, are collaborative partners. The two states have streamlined natural resource distribution, jointly supported the ratification of the United States-Mexico-Canada Agreement (USMCA) and modernized infrastructure.
