Go AZ Productions is a full service production service company located in Phoenix and Scottsdale, Arizona. Producer, Shannon B. Gardner specializes establishing and managing larger Feature Film movie production for both independent non-union as well as hybrid SAG-AFTRA and semi-union projects that can maximize your production spend. As a Line Producer of 15 years, Shannon has managed productions in Locations worldwide. Go AZ also offers opportunities with specialized training, workshops and team building focused on expanding the crew base in the southwest region.

Arizona has a rapidly growing filmmaking community and with its expanding unique geographic locations, as well as cost savings on material and location expenses, it is competitive with more expensive rebate-incentivized locations.

Go AZ Productions is aligned with all of the key vendors throughout the southwest region including Arizona, New Mexico, Utah and Las Vegas to maximize your budget and staffing and production support.
