2. Commerce can allocate tax credits from a Calendar Year Cap as long as the Request for Pre-Approval is submitted to Commerce during that calendar year; unused tax credits do not roll forward into the next year's cap.
3. If a taxpayer's Request for Pre-Approval is approved, all associated first-year tax credits (anticipated over a three-year period) are reserved for the taxpayer so long as all eligibility of the taxpayer is retaining over the three-year period (Eligibility Period).
4. Any credits returned to Commerce during the same calendar year in which they were originally allocated may be re-allocated to other eligible taxpayers according to the next Priority Placement Number.
