

Healthcare BENEFITS 101

An overview of a complex system

Group Health Insurance Plans

Employer sponsored health plans that provide healthcare insurance coverage to employees and their families.

Why offer health insurance?

Compete for talent

Protect employees

Some group health plans costs are less per member than individual health plans

Wages are not the only factor in employee job decisions

Healthy employees = happy and productive employees

Is My Company Eligible For a Group Health Plan?

Companies with 1 or more common law employees enrolling are eligible to purchase a Group Health Plan.

Fully-insured ACA Plans

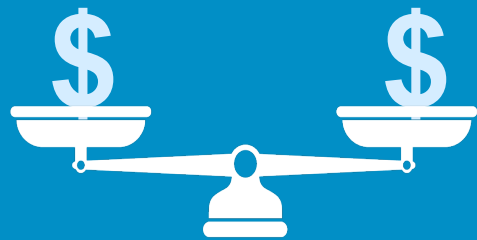

ADVANTAGES

- ✓ Guaranteed Issue
- ✓ Pooled rating
- ✓ Available to 2-50 sized employers
- ✓ No gender rating
- ✓ Network and plan design flexibility

DISADVANTAGES

- ✓ May not be the lowest priced options
- ✓ Constraints on plan design
- ✓ Benefits generally change from year to year

Partially Self-Funded

ADVANTAGES

- ✓ Competitive pricing for some groups
- ✓ Potential for employer to earn back dollars if claims are lower than expected
- ✓ Greater benefit flexibility
- ✓ Gender rating

DISADVANTAGES

- ✓ Requires at least 9 enrolled employees with Individual Medical Questionnaires
- ✓ Groups can be declined
- ✓ Overall health status of the group is factored in to the price of the plans.

Association Health Plans

ADVANTAGES

- ✓ Pricing can be competitive for groups that qualify
- ✓ Additional flexibility on plan designs
- ✓ Supports parent association and industry.
 - e.g., Medical Doctors, Manufacturing, Tech, Construction, Autoworkers...
- ✓ Available to groups of 2+

DISADVANTAGES

- ✓ Groups can be declined
- ✓ Additional association, trust, managing partner and 3rd party administrator fees may erode potential discount.
- ✓ Must be a member of the association in order to purchase.

What Type of Product Do I Want?

PPO - Preferred Provider Organization

Offers In- and Out-of-network coverage.

Members can see specialists without a referral.

Wide range of providers and specialists to choose from.

Provides out of state coverage.

HMO - Health Maintenance Organization

Provider choice is limited.

Coverage applies to In-network services only, except for emergent care.

Care is directed and coordinated by your assigned PCP.

Traditional Copay Plans

- Offers copays for commonly used services.
- Deductible typically applies to inpatient and outpatient services.
- Member cost share applies to the member's out-of-pocket expenses.

Consumer Driven High Deductible Health Plans

- Most services are subject to the deductible, before the health insurance pays out.
- Preventative services are covered at 100%.
- Commonly paired with a Health Savings Account.

Health Plan

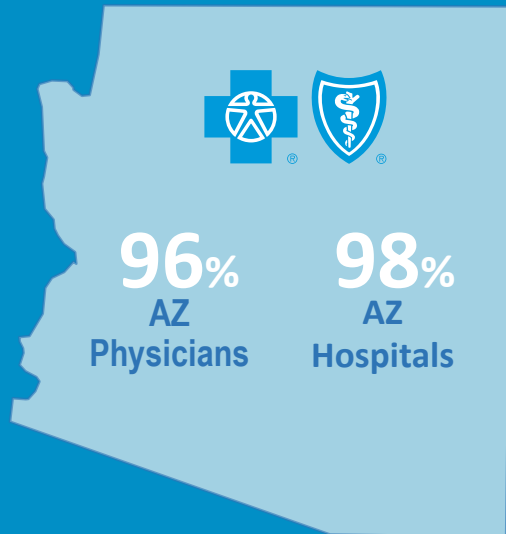

Health Savings
Account

Advantages of a Health Saving Account

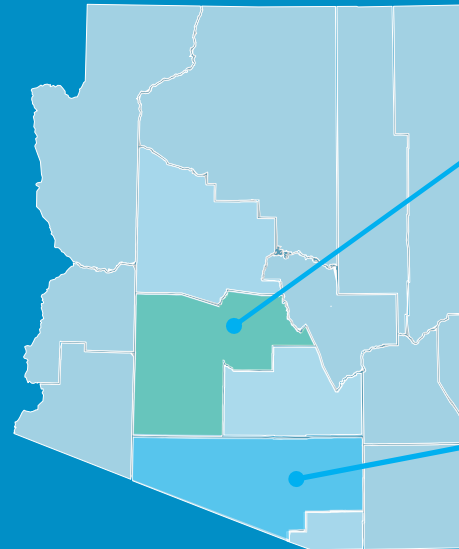

- ✓ Contributions are tax deductible.
- ✓ Interest earned is withdrawn tax free.
- ✓ Employers can contribute to an employees H.S.A.
- ✓ Funds can be used to pay for qualified medical expenses, such as medical deductibles, dental care, contact lens, glasses, hearing aids, etc.
- ✓ If an employee leaves their employer, they keep the funds in their H.S.A account.

Broad Network

- Lots of providers, specialists and facilities to choose from.
- May be a little higher in price.
- Greater choices

Narrow Network

Alliance
11.5% DISCOUNT
1200+ Physicians
20+ Hospitals

PimaConnect
13% DISCOUNT
240+ Physicians
5+ Hospitals

- Fewer providers to choose from.
- Pricing is typically 10-15% lower than the big broad network option.
- County or region specific

Be sure to check the company's provider directory to make sure your provider is **“In-network”**

Vision

You must have at least 70% of eligible employees enroll in your group health plan. (Eligible waivers are not factored into the calculation).

Employers are usually required to contribute at least 50% “Employee Only” premium.

- Exception: Participation requirements can be waived during the Small Group Open Enrollment timeframe from Nov. 15-Dec 15 for a 1/1 effective date.

Discrimination is not permitted, and employers should be clear on who’s eligible for coverage.

COBRA and mini COBRA laws apply in the state of Arizona.
