

FAQ Guide

What is Arizona Tech Week?

Arizona Tech Week is a decentralized tech conference powered by the Arizona Commerce Authority (ACA), Arizona's statewide economic development organization. During Arizona Tech Week, hundreds of tech-focused events will take place across Arizona – from hackathons to engaging discussions, community meetups and more. Every event is organized individually by startups, companies, and VCs.

When is Arizona Tech Week?

The first-ever Arizona Tech Week will take place **April 6th-12th, 2026**. The full conference schedule of events and registrations will be published in early 2026. Stay up to date on the schedule and registration details by [registering your email here](#).

Why Arizona Tech Week?

Because Arizona's time has arrived. With a vibrant tech scene, dedicated investors, and dynamic innovation culture, the bigger question is, *why not?* Arizona Tech Week will foster innovation, collaboration, and growth while showcasing Arizona's innovation community. Through a dynamic week of events, networking, and education, we aim to connect entrepreneurs, industry leaders, investors, and talent to share insights, make connections and empower the next generation of tech advancements in Arizona and beyond.

How do I host an event at Arizona Tech Week?

Event submissions open in Fall of 2025. Once the event submission form is live, you can submit your event(s). Your event will be reviewed by our team. If approved, your submitted event will be included on the official Arizona Tech Weeks events list where attendees will be able to view and register for your event. Stay up to date on the schedule and event hosting details by [registering your email here](#).

How do I attend Arizona Tech Week?

Each event during Tech Week is hosted by an individual organization. Once the schedule of events is published, you can browse events and apply to attend. Afterward, individual event hosts will be in touch with your registration status. [Subscribe to the Arizona Tech Week newsletter](#) to be alerted when the schedule of events is available on the website and other exciting updates.

Does it cost anything to attend Arizona Tech Week events?

Most Arizona Tech Week events are free. It's ultimately up to the event hosts if events have a registration fee or not. Refer to each individual event for specific pricing information.
